Preface

No Mawdoo' [Fabricated] Hadeeth or Aathar are included in this book. Saheeh [Rigorously Authenticated] and Hasan [Authentic] Hadeeths are included. If a Sanad is Da'eef [Weakly authenticated], another Sanad or multiple Sanads are given to strengthen it to Hasan or similar as per the rules of Hadeeth. This is as per the Arabic preface of Mujaddid Imam Jalaluddin Abdur-Rahman al-Suyuti's [R], al-Khasaa'is al-Kubra. the classification of Imam Nooruddin al-Haythami's [R] Hadeeth encyclopedia, Majma'-uz-Zawaa'id [in Arabic] is used when the Hadeeth is quoted from it. Most of the contents of this book are from the above two references.

At the time of this work, this author was not aware of any similar work on the Miracles of Sayyiduna Muhammad Rasoolullah [Sall Allahu 'alaihi wa sallam] in the English language. This was felt by me to be a great gap in Islamic scholarship in the English language that needed to be filled.

Mufti Ghulam Moinuddin Naeemi's [r] Urdu translation of al-Khasaa'is al-Kubra was used extensively. I have preserved many Islamic terms as is, such that the youth be accustomed to using them and to avoid loss of meaning.

Imam Ibn Al-Jawzi in al-Wafa bi Fadaail-il-Mustafa with a good Sanad: Haafiz Abul-Hasan bin Bishraan said: It was narrated to us by Abu Jafar Muhammad bin Amro, from Ahmad bin Ishaq bin Saalih, from Muhammad bin Saalih, from Muhammad ibn Sanaan al- Auqi, from Ibraheem bin Tahmaan, from Badeel bin Maysarah, from Abdullah bin Shaqeeq from Maysarah [R]: I asked: "O Rasoolullah, when were you [first] a Nabi?" He replied: "When Allah created the earth, then turned to the heaven, and fashioned it as seven heavens 2:29), and created the Throne, He wrote on the leg of the Throne: "Muhammad, Messenger of Allah is the Seal of Prophets" (Muhammad-ur- Rasoolullahi Khaatam-ul-Anbiyaa). Then Allah created the heaven in which He made Adam and Hawwa' dwell, and He wrote my name on the gates, its tree-leaves, its domes and tents, at a time when Adam was still between the soul [rooh] and the body. When Allah, Most Exalted, instilled life into him, he looked at the Throne and saw my name, whereupon Allah informed him that 'He [Muhammad Sall-Allahu 'alaihi wa sallam] is the master [Sayyid] of all your descendants.' When Shaytan deceived them both, they repented and sought Allah's Forgiveness through my intercession by stating my name [i.e. Muhammad (Sall Allahu 'alaihi wa sallam)]."

(واستشفعا باسمي إليه

وأخرجه ابن الجوزي في الوفا بفضائل المصطفى من طريق ابن بشران

لَمَّا افْتَرَفَ آدَمُ الْخَطِيئَةَ قَالَ يَا رَبُّ، بِحَقِّ مُحَمَّدٍ لِمَا غَفَرْتَ لِي؟

قَالَ: وَكَيْفَ عَرَفْتَ مُحَمَّدًا؟

قَالَ: لِأَنَّكَ لَمَّا خَلَقْتَنِي بِيَدِكَ وَنَفَخْتَ فِيَّ مِنْ رُوحِكَ رَفَعْتَ رَأْسِي فَرَأَيْتُ عَلَى قَوَائِمِ الْعَرْشِ مَكْتُوبًا لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَسُولُ اللَّهِ فَعَلِمْتُ أَنَّكَ لَمْ تَضِفْ إِلَيَّ اسْمَكَ إِلَّا أَحَبُّ الْخَلْقِ إِلَيْكَ

قَالَ: صَدَقْتَ يَا آدَمُ، وَ لَوْ لَا مُحَمَّدٌ مَا خَلَقْتُكَ
