Our Original Mission is changing.

ISRA has been changing in many new and exciting ways. For details check this page:

Help **ISRA** spread the three dimensions of Islam Iman and Ihsan.

We have exciting plans for using new technology to reach more people at lower cost. As an **ISRA** supporter, you and your family will receive these new benefits free. More details are forthcoming soon but here are a few included benefits.

- Webcasting **ISRA** sponsored events- just like TV but through your internet browser. (non subscribers fee is \$10 an event.)
- Special teachings from scholars and Shaykhs around the world. (non subscribers fee is \$10 an event.)
- Premium online courseware on the Qur'an or other aspects of the deen at no extra cost (a \$50 to \$150 value included with your subscription).
- Free or discounted original books.

As you may know, **ISRA** has been actively involved in furthering the spiritual aspect of Islam.

To sustain the ongoing spread of the vital message of **Islam, Iman and Ihsan**, via conferences, print and electronic media, funding on a continuous basis is needed. At this stage **ISRA** lacks such support. Everybody who loves the cause of **ISRA**, the spiritual revival of the complete deen of Islam, are asked to extend a supporting hand.

The organization hereby requests its supporters to pledge a fixed monthly donation to continue this new level of activities. This pledge can be a minimum amount of \$10 to the maximum affordable. It can be automatically withdrawn from your personal bank account or charged on a credit card. Of course, we will accept single donations as well.

As you know **ISRA** has been actively involved in furthering the spiritual aspect of Islam. With its limited resources the organization has been successful in holding at least four major events annually.
